Special thanks to our volunteers....

From time to time we pay for professional skills and expertise as needed. But the vast majority of our work is carried out by the trustees and our volunteers.

The trustees are particularly grateful to:

Jane Davies, designer and webmaster. Jane devoted nearly six years to Musequality. The value of Jane's voluntary contribution since the very first days of the charity has been immense; she created Musequality's brand identity, has been responsible for all the graphic design and production, and built the website. The trustees cannot thank her enough for her support. [MORE](#)

Rowena Bamforth, for help with book keeping and preparation of accounts.

David Tomlinson, who co-ordinated the 2011 World Busk and managed the container shipment to Uganda in 2013.

David has been working with Musequality as Senior Associate since he retired. He has been inspired to learn a musical instrument and took up the clarinet. He now plays with the Barnet Band. He also intends to raise £1,000 through a sponsored practice, so please encourage him with a donation. Visit his [fundraising page](#).

Sheila Stevens, for developing our website content management system.

Ben Smiley, for web advice and PHP development.

David Roe, for working with the trustees on strategy.
